

**EK9 Fr. & Rr. Bumper Beam**

### Fr. Bumper Beam install on EJ6

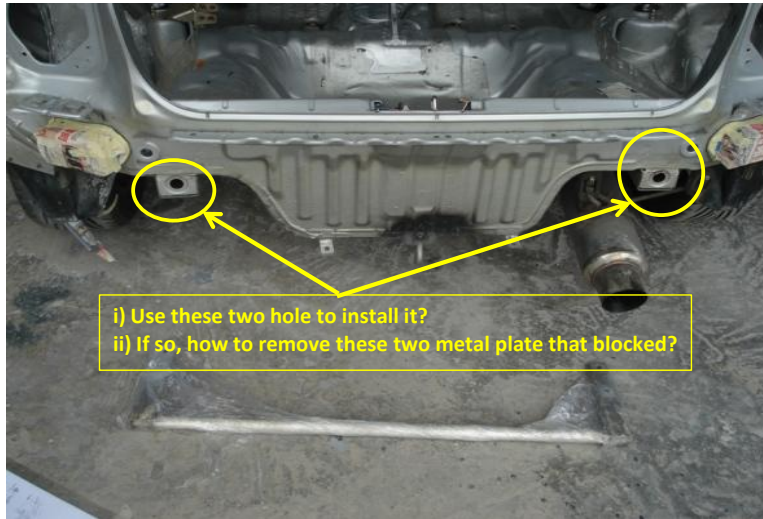

#### 1. Additional Hole Drilling Needed?

- i) Which hole need to use to fix EK9 Bumper Beam: Hole 1 & 2 or Hole 1 & 3?
- ii) If Hole 1 & 3, then need to additional drill on the chassis?

### Rr. Bumper Beam Install on EJ6

1. Where to install?

2. Which are the holes for mounting bolts?

All experts here, please kindly advice me....pls...pls....thanks a lot....
